Whereas, Records of insurance companies and their affiliates in receivership and the records of conservatorships are delivered to and accumulated by the Liquidation Division of the State Board of Insurance; and

Whereas, The Texas Senate on April 29, 1959, passed Resolution 463 recognizing that such records either are or may become of public interest and that their destruction might result in financial loss to persons who have an interest in the shares, bonds, securities, or policies of such companies; and

Whereas, The above resolution forbade the destruction of these records without legislative consent, and in-

stead required that they should be delivered to the State Librarian for storage, care, and supervision; and

Whereas, It is apparent that many of these records could be destroyed without any possible detrimental effect to any person financially interested in any of these insurance companies or conservatorships; and it is further apparent that many of these records are totally without historical interest; and

Whereas, Unnecessary storage of these records results in great expense to the people of the State of Texas; now, therefore, be it

Resolved, That the above Senate Resolution 463 be and is hereby repealed; and, be it further

Resolved, That the Liquidator-Receiver of the Liquidation Division of the State Board of Insurance may, with the prior consent of the Commissioners of Insurance, authorize the destruction of records of insolvent insurance companies or their affiliates, or of insurance company conservatorships when the cause or proceeding in which they are involved has been finally closed and when the retention of such records will serve no financial interest to the State or any individual and have no historical significance.

The resolution was read.

Senator Patman offered the following amendment to the resolution:

Amend S. R. 17 by adding the following language and wording to the last sentence of such resolution:

And provided such records have been in the custody and under the control of the Liquidator-Receiver of the said Liquidation Division of the State Board of Insurance for a period of not less than five years.

The amendment was read and was adopted.

The resolution as amended was then adopted.

Whereas, The Senate of Texas desires to recognize the Drum and Bugle Corps of the Arlington Boys' Club and their Director, Mr. Al Stover by inviting this outstanding group of boys to appear in concert before the Senate on August 14, 1969 at 11:00 a.m. and later in the Capitol Rotunda; and

Whereas, The Arlington Boys' Club composed of 3000 members was founded in 1959 by a group of dedicated citizens interested in the welfare of boys; is a non-profit corporation governed by a Board of Directors composed of men and women who serve without pay; and through this dedicated staff and volunteers, many programs of excellence were carried on during the past year; and

Whereas, The Boys' Club program consists of many activities such as sports, art instruction and classes, Book Awards Programs, crafts, tutoring and many special residual benefits offered to members under which 600 different boys received Free Medical Examinations; and

Whereas, Included in this outstanding Arlington Boys' Club is the Drum and Bugle Corps composed of 36 boys. They have achieved many honors and participated in many special functions, including a performance at the HemisFair in San Antonio, Texas; and

Whereas, It is our desire to recognize the Drum and Bugle Corps of the Arlington Boys' Club and their sponsor, A. M. Stover for their extraordinary skill, dedication and service; now, therefore, be it

Resolved, That the Senate of the State of Texas, 1st Called Session of the 61st Legislature, extends such in-
